3 way Conference Day June 28th 2017

The Children Spent their day doing various activities such as making stocking creatures, paper chains, and playing outside.

We had toasted sandwiches and soup for lunch.

In the afternoon we played the Wii, had fun with the games table and coloured in some fantastic drawings before chilling out with a movie.

New Games Table

The children have been having a lot of fun using our new games table. We are learning to play slide hockey, ping pong, foosball and pool.

Fidget Spinners

We have made fidget spinners using paper, corks and wooden skewers.

The children enjoyed making and decorating their own spinner.

A discussion was had about different ways you could make a fidget spinner.
