

# DELIVERY OF CHILDREN TO, AND COLLECTION FROM EDUCATION AND CARE SERVICE PREMISES

Under the *Education and Care Services National Regulations* the approved provider must ensure that policies and procedures are in place for the delivery of children to, and collection from, service premises and take reasonable steps to ensure those policies are followed. (ACECQA 2021).

Arrival and departure times are planned to promote a smooth transition between home and our Service for before and after school care, and vacation care. The opportunity to build secure, respectful and reciprocal relationships between children and families is promoted during arrival and departure times where educators have the opportunity to engage in conversations with families and support each child's well-being.

To ensure the health and safety of children at our Service, our *Arrival and Departure Policy* is strictly adhered to, allowing only nominated authorised persons to collect children at any time throughout the day. The daily sign in and out register is not only a legally required document to record children's attendance as per National Law and Regulations but is also used as a record of the children on the premises should an emergency evacuation be required to be implemented.
