

## Our School Values:

**RESPECT, RESILIENCE, TEAMWORK & COLLABORATION and COMMUNITY**

Dear Parents,

*I would like to take this opportunity to wish everyone a safe and relaxing term break.*

*We look forward to seeing everyone on Tuesday 11th July (Monday 10<sup>th</sup> July is 3-Way conferences) for the start of another exciting and productive term.*

### **SCHOOL REVIEW- FINAL PANEL DAY**

The school review panel met for the final time to determine the school goals, key improvement strategies and targets that will define our new 4-year Strategic Plan. When the new Strategic Plan has been approved I will share it with the school community. The school reviewer was very positive about the review process undertaken. Highlighting the thoroughness of the pre-review self-evaluation, the honesty and transparency of the staff, and student and parent insight into school life. The new Strategic Plan requires final approval from the Department of Education & Training.

### **ASSET MANAGEMENT PLANNING (AMP)**

As part of the planning for our school upgrade we were required to complete stage 1 of the AMP. This involved capturing the education vision and direction of the school in terms of learning needs and aspirations. The report focused on the teaching and learning delivered at our school; what opportunities does the upgrade present; in time what will students, teachers and parents be doing on a typical school day that typifies learning, diversity and inclusion and a high-level overview of the current facilities in regard to condition & functionality. Using this information, the second stage of the AMP will be completed which entails developing a high-level masterplan and determining a scope of works based on budget.

### **MID-YEAR REPORTS & 3 WAY CONFERENCES - REPEAT**

A formal opportunity for parents to discuss the progress of their child/children will occur on Monday July 10th (first day of term 3). The booking portal closed at 12.00pm today, Friday 23rd June. Letters have been forwarded home to families who have not made appointments. **Please Note: students only attend school on this day for their 3-way conference.** The Outside School Hours Care will run a full day program on this day.

### **ENROLMENTS FOR 2024**

So far, we have enrolments from 15 siblings of Huntly Primary School students for 2024. If have a current student at our school and they have a sibling who will be starting Foundation (Prep) next year, please collect an enrolment form from the school office and return it to us as soon as possible.

Due to Huntly Primary School being required to adhere to the Department of Education's Enrolment Management Plan enrolment is restricted to: Students who live within the school zone, Students with a sibling attending the school at the same time or Students seeking enrolment on legitimate compassionate grounds. As a result we need to know all sibling enrolments as soon as possible to confirm our numbers for other enrolling students.

If you have any questions or would like a tour of the school, please contact the school office.

### **SCHOOL BUS MANAGEMENT NEWS**

Important information regarding school bus travel is included in today's newsletter (next page). If your child/children travel use the school bus to travel to and from school please read this information and contact the School Bus Program team if you have any questions.

### NUDE FOOD DAY!

Thank you to all students who had a Nude Food lunch box this week. We held the surprise nude food day on Tuesday 20<sup>th</sup> June and found that we had 88 out of 262 students had a wrapper free lunchbox. This works out to be just 34% of our school. The hope is to see this percentage increase over the year! Congratulations to **Leon A, Sam S, Noah F and Liam K** for winning some new nude food pouches for their lunch box! We will be having more of these days next term so let's keep up this amazing habit! We are helping the environment one lunch box at a time!

Thank you, JSC & Mrs. Trahair.

### SCHOOL BUS MANAGEMENT NEWS

Dear Parents and Guardians,

We are excited to announce that we are participating in Jump Rope for Heart this year – a fantastic fundraising and physical activity program by the Heart Foundation.

By participating in Jump Rope for Heart at the beginning of term 3, we are expecting to get our students moving. We'll have ropes available on the school grounds and encouraging everyone to help raise funds for lifesaving research and support programs. Over the first 5 weeks of term your child will learn new skills, increase their physical activity, and learn about heart health. The program will end with our school wide 'Jump Off Day' where your child gets to show off their new skipping skills to their friends.

The first job is to register your child online. This will give you access to additional skipping resources to help give your child a great reason to get away from the screens and get outdoors. Register and create your own secure webpage at **[jumprope.org.au/parents](http://jumprope.org.au/parents)**

By signing up online, you and your child can:

- Easily raise funds online
- Track skipping skills progress and earn virtual badges along the way
- Post updates to your page so family and friends can follow their progress
- Access additional skipping resources

By the end of this week, your child should have a 'fundraising guide' flyer to take home, which includes further information on the program. If you didn't receive this, visit **[jumprope.org.au/parents](http://jumprope.org.au/parents)** for all the information that you need.

Thank you for getting involved in Jump Rope for Heart!
