Crunch and Munch "Fresh Fruit"

Huntly Primary School is proud to be part of the Fresh Fruit Fridays program, delivered in partnership with McKean McGregor and the McKern Steel Foundation.

This initiative helps ensure our students have regular access to fresh, healthy fruit at school each week, supporting their wellbeing and readiness to learn.

Over the past year, the program has provided more than 44 tonnes of fresh fruit to primary schools across the region, positively impacting thousands of students.

We are grateful to be involved in such a meaningful program that supports the health and wellbeing of our Huntly Primary community.
