Dear parents,

3-WAY COMFERENCES- UPDATE

A formal opportunity for parents to discuss the progress of their child/children will occur on Monday, July 13th at the 3-WAY Reporting Conference. The key objective for the conferences is to talk more in-depth about your child's achievements and areas for growth. We ask that students attend with their parent/s and participate where appropriate. This is a good opportunity to discuss any reporting questions that you may have.
Parents/carers are able to now book their meeting time on Compass. The booking portal will be open until Friday 10th July. If you are having difficulty booking online contact the school office for assistance.
Note: students only attend school on this day for their 3-way conference.
After the Bell will provide a full day program should there be enough interest from families.

SEMESTER 1 REPORTS

Semester 1 Student Achievement Reports will be available to families as usual this year and can be accessed and downloaded through Compass from Wednesday 24th June.
To support families' understanding of student learning, a comprehensive overview of the curriculum covered during Semester 1 will be provided alongside each report.

2027 FOUNDATION (PREP) ENROLMENTS- UPDATE

Enrolment forms for our 2027 Foundation year level are steadily coming in from the Huntly community. To support our 2027 workforce planning and preliminary grade structures it is ideal to have the majority of enrolment forms in by the end of term 2. We ask that if you are a current parent of a child/children at Huntly Primary School and have a child starting Foundation in 2027, please come into the school office, pick up an enrolment pack and return the completed enrolment form as soon as possible to help assist us. Also, if you know anyone in our area who may be wanting to enrol their child for Foundation 2027, please provide them the following information.
All Victorian government primary schools follow a statewide timeline for enrolling in Foundation (Prep) for the 2027 school year.
Make sure to submit your enrolment application by Friday 31 July 2026 (for out of zone families).
For more information, please read about how to enrol your child in Foundation at vic.gov.au/enrolling-foundation-prep. Or refer to our Foundation enrolment information on the webpage Foundation Enrolment – Huntly Primary School
You can also contact our school office on 54488866, to book a school tour and pick up an enrolment pack and or application to enrol.

SCHOOL TRADING

I am aware of some students trading items at school. As a reminder, trading of personal items is not permitted at school. Unfortunately, these situations often lead to disagreements when one student later changes their mind and wishes to reverse the trade. Only to find that the item has already been traded on to someone else or the other student refuses to give it back. This can create unnecessary conflict and distress for the students involved.
We ask that families please reinforce this message at home and encourage children to keep valuable or collectable items at home. Thank you for your support in helping us maintain a positive and respectful school environment.

BUS ZONE- REPEAT

A reminder to all families not to park in the designated 'No Parking' zone near the bus drop-off and pick-up area. This space is essential for maintaining safe and efficient access for the school bus.
When vehicles park in this area, it can quickly become congested as families try to secure a closer park, which in turn restricts bus access and increases safety risks for students and the school community.
We appreciate your support in keeping this area clear and ensuring the safety and smooth flow of traffic around the school.

END OF TERM DISMISSAL: FRIDAY, 26TH JUNE

Students will be dismissed at 2:30 PM on Friday, June 26th. Due to Department of Education regulations, we cannot dismiss students before 2:30 PM. However, parents may collect their children earlier if they wish, but they must be signed out at the office.
